

# Registration of additional vehicles with GO Direkt

For the registration of additional vehicles with GO Direkt you need an **active GO Direkt contract**.

It is only possible to mail GO-Boxes if you are registering a license plate for which you do not already have a GO-Box (initial purchase).

Company:

Customer ID: \*

	Motor vehicle registration number	Country of registration	HGV type (bus/truck)	Number of axles <sup>1</sup>	EURO emission class/ Drive type <sup>2</sup>	Toll Collect user number <sup>3</sup>
01						
02						
03						
04						
05						
06						
07						
08						

<sup>1</sup> Please indicate the number of axles of the towing vehicle here. If necessary, you can change the number of axles manually on the GO-Box. Does not apply to buses.

<sup>2</sup> Drive type E/H2 covers purely electric drives and hydrogen fuel cell drives.

<sup>3</sup> only when TOLL2GO is activated in Austria

## Delivery or collection of the new, personalised GO-Boxes

I wish to receive the GO-Boxes **by post**.

*The processing of the application usually takes 2 days, the subsequent shipping can take up to 10 days.*

I will collect the GO boxes by means of pickup code **at a GO sales office**.

Please send the collection code to the following contact person:
